Independent Auditor's Report

To the Directors of
Artscape Non-Profit Homes Inc.

Opinion

We have audited the financial statements of Artscape Non-Profit Homes Inc. ("ANPHI"), which comprise the statement of financial position as at December 31, 2019, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of ANPHI as at March 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting described in Note 2 to the financial statements.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of ANPHI in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the ANPHI to comply with Section 80(2) of the Housing Services Act (and guidance in its application) issued by the City of Toronto. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with prescribed accounting policies to comply with Section 80(2) of the Housing Service Act (and guidance in its application) issued by the City of Toronto, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing ANPHI's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate ANPHI or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing ANPHI's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ANPHI's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on ANPHI's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause ANPHI to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of the financial statements.

1. Establishment and operations

Artscape Non-Profit Homes Inc. ("ANPHI") was incorporated as a not-for-profit corporation on July 29, 1994 without share capital. ANPHI was created specifically to develop and manage those current and future projects of Toronto Artscape Inc. ("Artscape") intended to meet the affordable housing and live/work studio needs of low and middle income artists of all disciplines.

2. Summary of significant accounting policies

Basis of presentation

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with Section 80 (2) of the Housing Services Act (and guidance in its application) by the City of Toronto. The basis of accounting used in these financial statements materially differs from Canadian Accounting Standards for Not-for-Profit Organizations ("ASNPOs"), as follows:

- (a) Capital assets, consisting of the building and land at 900/906/910 Queen St. W. and the leasehold improvements and land at the Artscape Wychwood Barns, are recorded at cost, less government and related grants and donations.
- (b) Amortization on the buildings is provided at a rate equal to the annual principal reduction of the related mortgage, rather than over the estimated useful lives of the assets.
- (c) The net book value of the building and land at 900/906/910 Queen St. W. at year end must equal the principal balance of the related mortgage loans (Note 5).
- (d) Capital asset purchases, unless otherwise funded, are charged to the capital reserve account, rather than being capitalized on the Statement of financial position and amortized over their estimated useful lives. Under the terms of the Housing Services Act, ANPHI is required to establish the Capital reserve fund in order to finance capital asset purchases. The investments in the fund are to be maintained and accounted for separately from ANPHI's other cash and investments. Income earned, both realized and unrealized, on the investment of the funds is allocated thereto.
- (e) A reserve for future capital replacement is appropriated annually from operations

Canadian ASNPOs have been used in all other respects in the preparation of these financial statements, as follows:

Revenue recognition

ANPHI uses the deferral method of accounting for revenue from operating activities. Externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount can be reasonably estimated and collection is reasonably assured.

Grants and other amounts received to cover the cost of specific capital assets are deferred and recognized as revenue over the same amortization period as the related capital asset.

Cash equivalents

Cash equivalents are comprised of short-term highly liquid investments.

2. Summary of significant accounting policies (continued)

Financial instruments

Financial assets and financial liabilities are initially recognized at fair value when ANPHI becomes a party to the contractual provisions of the financial instrument. Subsequently, all financial instruments are measured at amortized cost.

The cost of financial instruments approximates their fair value due to their short-term nature.

Use of estimates

Canadian ASNPOs requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Management believes that the estimates utilized in preparing these financial statements are reasonable and prudent. Actual results could differ from these estimates. Accounts requiring significant estimates and assumptions include accrued liabilities, deferred revenue, and amortization expense.

3. Capital assets

	Cost \$	Accumulated amortization \$	2019 Net book value \$	2018 Net book value \$
900/906/910 Queen St. West, Toronto, ON Building	2,759,199	1,454,655	1,304,544	1,412,250

	6,264,062	2,854,538	3,409,524	3,681,079

Artscape Wychwood Barns – residential portion

This project was completed in 2008. Upon completion, the residential component of the project, including all costs, related grants and debt financing, was transferred from Toronto Artscape Inc. to ANPHI which, as a non-profit housing provider, administers the residential component as part of its arrangement with the Canada-Ontario Affordable Housing Program and the Affordable Housing Office of the City of Toronto. The residential component consists of 26 units of affordable housing at Artscape Wychwood Barns.

4. Related party transactions and balance

Transactions

Artscape provides administrative services to ANPHI and full property management services for all projects developed and/or owned or leased by ANPHI.

Transactions during the year consisted of payments and charge-backs for miscellaneous operating expenses which occurred in the normal course of operations and included:

- Management fees of \$44,370 (\$42,104 in 2018) charged to ANPHI by Artscape; and
- Rent of \$ 35,000 (\$35,000 in 2018) charged by ANPHI to Artscape for the use of space at the Queen St. W. location.

Related party transactions are recorded at the exchange amount.

Elevator Retrofit Loan for the purpose of repairing the freight elevator at 900 Queen St. W. The repayment of the loan is deferred until the first mortgage is fully paid out in 2030, as allowed under clause 3 of subsection 173(2) of the Social Housing Reform Act	60,840	60,840
	3,295,995	3,567,550
Less: Current portion	(1,419,003)	(270,723)
Long-term portion	1,876,992	3,296,827

6. City of Toronto Social Housing subsidy

The Housing Services Act for the Municipal Social Housing Programs of the City of Toronto (the "Act") applies to the project at 900/906/910 Queen St. W., Toronto, through to September 1, 2030. Under the agreement, the City provides a monthly subsidy to ANPHI, which for 2020 is set at \$11,010 (\$10,570 in 2019).

ANPHI has also entered into an affordable housing agreement with the City of Toronto in respect of the 26 residential units at Artscape Wychwood Barns (the residential component of the Barns). The City supplements ANPHI the difference between market rents and the actual rents received by ANPHI. The City will provide a monthly rent supplement of \$16,482 in 2020 (\$15,957 in 2019).

	Queen St. W. subsidy \$	Wychwood Barns rent supplement \$	Total \$
City of Toronto 2019 subsidy	126,840	191,484	318,324
City of Toronto 2018 subsidy	130,680	185,918	316,598

Amounts due from City of Toronto as at December 31, 2019 are as follows:

	2019	2018
	\$	\$
900 Queen Street West	10,570	11,180
Artscape Wychwood Barns	15,957	15,650
	26,527	26,830

6. City of Toronto Social Housing subsidy (continued)

The City requires ANPHI to prepare an Annual Information Return, which is a summary of ANPHI's financial and operating information. The total subsidy entitlement is calculated based on actual operations and is compared to the actual subsidy received to determine whether any subsidy amounts are repayable at year end. It has been determined that for the year ended December 31, 2019 ANPHI has an excess subsidy of \$5,239 (\$5,361 in 2018) repayable to the City. The cumulative amount owing to the City of Toronto as at December 31, 2019 is \$23,942 (\$18,703 in 2018).

7. Capital reserve fund and Capital replacement reserve fund

(a) Capital reserve fund – 900/906/910 Queen Street West

The Housing Services Act requires ANPHI to participate in a system for pooling capital reserves for investment purposes. This system requires that ANPHI's capital reserve fund be invested in Social Housing Investment Funds managed by Encasa Financial Inc., with WorldSource Financial Management Inc. as Portfolio Advisor.

In 2019, ANPHI was required to allocate an amount of \$19,543 (\$19,109 in 2018) from the regular subsidy at 900 Queen St. W. from the City of Toronto to the capital reserve fund. Commencing in January 2020, ANPHI is required to allocate \$20,006 from the regular subsidy to the capital reserve fund specific to 900 Queen St. W.

In addition, each year ANPHI is required to pay 50% of its operating surplus from the Queen St. W. social housing operations to the City of Toronto. However, in accordance with the Toronto City Guideline 2013-3, ANPHI is allowed to retain \$100 per unit of its annual net income that it would normally repay to the City, or the total share of operating income owed to the City, whichever is less, providing that this amount is allocated to the capital reserve fund contribution.

	2019	2018
	\$	\$
Balance, beginning of year	156,892	135,975
City of Toronto Social Housing – portion allocated from regular subsidy	19,543	19,109
Income earned and unrealized gains	—	1,808
Balance, end of year	176,435	156,892

(b) Capital replacement reserve fund – Artscape Wychwood Barns

Under the affordable housing agreement for Artscape Wychwood Barns, ANPHI is required to establish a replacement reserve fund of 8% of the projects annual revenue. One-half of this amount (4% of revenue) is to be allocated to a separate reserve account maintained at the Toronto Dominion Bank as required by the Canada Mortgage and Housing Corporation. The remainder of the fund is managed by Phillips, Hager & North.

For 2019, ANPHI has set up a provision of \$23,653 (\$33,599 in 2018) towards the capital replacement reserve fund.

7. Capital reserve fund and Capital replacement reserve fund (continued)

(b) *Capital replacement reserve fund – Artscape Wychwood Barns*

	2019	2018
	\$	\$
Balance, beginning of year	116,496	82,863

Affordable Housing Program – provision for capital replacement reserve	23,653	33,599
Income earned and unrealized gains	529	34
	9,182	33,633
Balance, end of year December 31	125,678	116,496

8. Commitments

Artscape Wychwood Barns

The property is leased from the City of Toronto, beginning March 26, 2006, under terms which require annual rental payments of \$1. The lease is for a term of 50 years, less one day.

9. Government remittances

There are no outstanding government remittances as at December 31, 2019 and 2018.

10. Subsequent event

Subsequent to the year end, on March 11, 2020, the World Health Organization characterized the outbreak of a strain of the novel corona virus (“COVID-19”) as a pandemic which has resulted in a series of public health and emergency measures that have been put into place to combat the spread of the virus. The duration and impact of COVID-19 is unknown at this time and it is not possible to reliably estimate the impact that the severity and length of these developments will have on the financial results and condition of ANPHI in future periods.

Management is pursuing mitigation strategies and applying for various government relief programs and grants in order to lessen the financial impacts of the COVID-19 pandemic.
